PROFILE

I am an Innovative full stack developer with currently a year of experience in web development, to optimize online presence. Hardworking and passionate job seeker with strong organizational skills. My aim is to work towards the goals of the organization.

WORK HISTORY

Internship Training   Ladoke Akintola University of Technology, Ogbomoso.

I developed library.lautech.edu.ng | lict.lautech.edu.ng | apu.lautech.edu.ng using Drupal.

Full stack Web Developer   SQI College of ICT, Ogbomoso

Develop efficient and maintainable software according to business objectives and needs of the client.

I developed:

Fin-tech application with Angular – https://fixtech-lac.vercel.app/

E-commerce application with React and Nodejs – ecomfix.netlify.app

Image uploading site with React and Nodejs – royaliwacapturingsite.netlify.app
